Dear LMS Band Parents and Guardians,

In a guidance document we received last night, the New Hampshire Commissioner of Education stated that "...we recommend that any school closely scrutinize the purpose and destination of any planned travel and consider postponing any out-of-state travel for the time being." Additionally, the Governor of Massachusetts declared a state of emergency as a result of the Coronavirus on March 10th. As a result, the Laconia Middle School Band trip to Boston that was scheduled to take place on Thursday, March 12th has been cancelled.

Our administrators and nurses are receiving and sharing information so that our school community have updates about the virus. We continue to work closely with government officials and health agencies in our planning and decision-making regarding the Coronavirus. The safety and well-being of our Laconia School District community is our top priority.

I apologize for the late notice and any inconvenience that we may have caused.

Sincerely,

Steve Tucker
Superintendent
Laconia School District
